GENERAL PROVISIONS

I. APPLICABILITY

A. This Declaration shall apply to the entire Property as described on the attached Exhibit A. The Property consists of approximately 459.43 acres of land, upon which the Declarant intends to construct a golf course, and from which Declarant intends to subdivide four single-family and one multi-family residential subdivisions (each of which may be referred to herein as a "Development Phase"). Declarant reserves the right (but not the obligation) to acquire additional acreage adjacent to the Property and to annex the same to the Property and subject it to this Master Declaration, so as to benefit and encumber such annexed property as fully as if it were a part of the Property on the date hereof. If and as Declarant acquires and/or develops additional parcels adjacent to the Property, Declarant may annex said additional parcels to, and declare them to be, subsequent Development Phases of Scioto Reserve. Upon such annexation, Declarant shall have the right, but not the obligation, to subject such annexed parcels to the terms and conditions of this Declaration. Declarant may subject annexed adjacent parcels to this Declaration without modification, or Declarant may supplement and amend this Declaration as it applies to such additional phases of development. As to each new Development Phase of Scioto Reserve, Declarant may re-record this Declaration with an attached exhibit which modifies and/or supplements this Declaration with respect to such Development Phase, or Declarant may incorporate this Declaration by reference into a supplemental declaration which establishes the modifications and/or supplemental provisions desired by Declarant to be applicable to such phase. The modifications and/or supplemental provisions applicable to different phases of development at Scioto Reserve may be comparable to, or more restrictive than the parallel provisions applicable to other Development Phases, as determined to be appropriate by Declarant in the exercise of its sole discretion. In the event of any inconsistency between the provisions of this Declaration and the provisions of any phase-specific modifications and/or supplements hereto, the more restrictive of the conflicting provisions shall control. In connection with Declarant's development of the Property, Declarant reserves the right to install, operate, maintain, modify, alter and expand new or existing utilities facilities, for the use and benefit of the Property, any additionally annexed property(ies) and any additional properties which Declarant determines would benefit from such facilities. Declarant shall not need the consent or approval of any Developer, the Golf Course Owner or any Lot Owner, to modify utilities facilities for the purpose of serving additional land whether or not annexed to the Property.

B. Declarant shall create an association (the "Master Association") for the purpose of carrying out and performing certain obligations as described herein, including but not limited to owning and/or maintaining portions of the Property on behalf of the Golf Course Owner and for the various owners of Lots in the subdivisions. In addition, as each Development Phase is developed, a separate association for each of the five Development Phases (collectively, the "Servient Associations") shall be formed for the purpose of owning common areas and addressing development issues within each Development Phase. Each owner of a Golf Course Lot, and the Golf Course Owner recognize that the irrigation system may be installed adjacent to the rear property line of the Golf Course Lot in order to provide proper irrigation for the Golf Course. Each owner of a Golf Course Lot agrees that such owner will not interfere directly or indirectly with the distribution of water or maintenance of said sprinkler system. They shall be maintained in good condition by the Association, or, if not, by the Owners of Lots on which such features are located.

Z. Maintenance of Common Improvements. The responsibility for maintaining the Common Improvements and Open Space as shown on the attached Exhibit B in a well-maintained, attractive and aesthetically appealing condition shall be the responsibility of the Master Association. The Master Association shall exclusively contract with the Golf Course

Owner to maintain all of the Common Areas and Open Space as designated on the attached Exhibit B of the Property until such time as the Golf Course Owner in its sole discretion relinquishes such contract. To avoid unnecessary hardship and/or to overcome practical difficulties in the application of the provisions of this Declaration, the Master Association Design Review Board and Servient Design Review Boards with the Master Association Design Review Board consent, shall each have the authority to grant reasonable variances from the provisions of this Article and from the architectural standards established pursuant to this Article, provided that the activity or condition is not prohibited by applicable law; and provided further that, in their judgment, the variance is in the best interest of the community and is within the spirit of the standards of the relevant Design Review Board. No variance granted pursuant to this Section shall constitute a waiver of any provision of this Declaration as applied to any other person or any other part of the Property.

D. Improvements by Declarant: Pre-Approved Plans. Notwithstanding the foregoing to the contrary, all Improvements and landscaping constructed by the Declarant or its partners, members or shareholders shall be deemed to comply in all respects with the requirements of the Design Review Board. C. Easement for Utilities and Other Purposes. Declarant deems appropriate; provided that such equipment or the exercise of such easement rights shall not unreasonably interfere with the Owners' use and enjoyment of the Property. The Declarant may grant such easements over all portions of the Property for the benefit of adjacent properties as the Declarant deems appropriate; provided that the grant of such easements imposes no undue, unreasonable, or material burden or cost upon the Property; and further provided that except within existing platted easement areas the Declarant may not convey any easement over a Lot which has previously been transferred to a Developer or Owner without the prior written consent of the Developer or Owner of such Lot (which consent shall not be unreasonably delayed or withheld), as appropriate. The approval or consent of an Owner of a Lot shall not be required for Declarant's grant of an additional easement within a platted easement area. The foregoing notwithstanding, each Development Phase Developer, and each Lot Owner, by acceptance of a deed to any Lot, grants an irrevocable and limited power of attorney to the Declarant, which power shall be deemed coupled with an interest, for the purpose of conveying easement rights within existing platted easement areas to the extent and as deemed desirable by the Declarant.

D. Easement for Services. A non-exclusive easement is hereby granted to all police, firemen, ambulance operators, mailmen, deliverymen, garbage removal personnel, and all similar persons, and to the local governmental authorities and the Association (but not to the public in general) to enter upon the Common Property to perform their duties.

E. Reservation of Special Easements. Declarant hereby reserves Special Easements for the purpose of constructing Improvements or conveying rights deemed by the Declarant to be beneficial to the Property. These Special Easement areas are also No-Build Zones. The Special Easement areas may be parts of individual Lots instead of on Common Property. In such cases, the owner(s) of the Lot(s) affected by the Special Easement(s) shall be and remain responsible for the ordinary care and maintenance of the Special Easement area. If special fencing, landscaping, storm water detention/retention, or community safety or entry features are constructed in a Special Easement area by the Declarant, or any governmental entity exercising jurisdiction over the Property, or the Association, the responsibilities of the Lot owner on whose Lot such Improvement has been constructed shall not exceed ordinary grass cutting, trimming and watering around such Improvements. Nothing contained in this Section shall require that the Declarant reserve or establish Special Easements.

F. No-Build Zones. Any areas designated on the recorded plat of Scioto Reserve Subdivision, or in prior deed restrictions as "Open Space" shall be areas in which no Owner shall have the right to construct or locate any Improvements. The maintenance of said areas shall be performed by the Master Association.

MASTER AND SERVIENT ASSOCIATIONS

VII. MEMBERSHIP CLASSES AND VOTING RIGHTS

A. Membership. The Declarant and each Servient Association shall have a membership in the Master Association. Every Lot Owner shall be deemed to have a membership

in the Servient Association formed for the Development Phase within which such Owner's Lot is located. Each Development Phase shall have only one Servient Association formed therefor, however, a single Servient Association may be formed to represent more than one Development Phase. Membership is a right appurtenant to and inseparable from an Owner's fee simple title in a Lot, and such right of membership shall automatically transfer to any transferee of fee simple title to a Lot at the time such title is conveyed or at such time as a land installment contract is entered for the conveyance of fee simple title. The foregoing is not intended to include persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest or mortgage shall not terminate an Owner's membership. No Owner, whether one or more persons, shall have more than one membership per Lot owned. In the event an Owner consists of more than one person, such persons shall have one membership in the Servient Association in common.

B. Governance. Voting and all other matters regarding the governance and operation of the Associations shall be set forth in the Association Documents.

C. Classes of Membership. The Membership of the Master Association shall be divided into two (2) classes, having the rights and obligations herein described:

1. Master Member. There shall be one (1) Master Member, being the owner of the Golf Course. Initially, the Golf Course Owner, the Declarant and the Master Member will all be the same person. The Master Member shall have the sole and exclusive voting rights relative to Master Association matters and issues, and shall exercise exclusive authority over the appointment of Association Trustees and Design Review Board appointments. The Master Member shall have ten (10) votes in all Master Association matters involving a vote.

2. Servient Association Members. Each Servient Association shall be a member of the Master Association, and for each Development Phase represented by such Servient Association shall have one (1) vote in all Master Association matters involving a vote. The Servient Associations shall each be obligated to pay assessments to the Master Association as provided herein, and shall have enforcement rights in common with the Master Member for any violation of the Development and Use Restrictions as provided for herein.

The Membership of the Servient Association shall be divided into two (2) classes, having the rights and obligations herein described:

1. Developer Member. There shall be one (1) Developer Member of each Servient Association, being the Developer of the Development Phase for which the Servient Association is formed. For so long as the Developer within a Development Phase continues to own any Lots or units in such Development Phase, the Developer Member shall have the right to exercise all voting rights for all Lots or units in said Development Phase. The Developer within a specific

Development Phase may waive its right to exercise all voting rights, fully, or to the extent desired by such Developer Member, upon the occurrence of which the Subdivision Lot/Unit Owner Members shall have the voting rights described hereinafter.

2. Subdivision Lot/Unit Owner Members. Each owner of a residential Lot in one of the single-family subdivisions, and any unit owner in the multi-family subdivision at the Property, shall be a member of the Servient Association formed for the Development Phase within which such Lot or unit is located. The Lot/Unit Owner Members shall not be voting members of the Servient Association until the earlier to occur of (i) the sale by such Association's Developer of the last Lot or unit owned thereby in said Development Phase; or (ii) the waiver by such Association's Developer of its exclusive voting right. Upon such occurrence, each Lot or unit shall be entitled to one vote (regardless of the number of persons who own an interest in such Lot or unit) on Servient Association matters submitted to a vote. Irrespective of whether Lot and unit owners have voting rights, they shall be obligated to pay assessments as provided for herein, and shall have enforcement rights for any violation of the Development and Use Restrictions as provided for herein.

VIII. RIGHTS AND OBLIGATIONS OF THE MASTER AND SERVIENT ASSOCIATIONS

A. Common Property. Declarant may, from time to time, at Declarant's option, convey to the Master Association or to a Servient Association, for the use and benefit of the Associations and their Members, real or personal property, or any interest therein, as part of the Common Property. Such conveyance may be in the form of a deed transfer, a deed reservation or an easement appurtenant to the Property. The relevant Association shall accept title to any interest in any real or personal property transferred to it by Declarant. The Association to which such property is transferred, shall be responsible for the payment of real estate taxes thereon, and for the payment to the Master Association of the assessments related to the other costs of using and maintaining the same. The Master Association shall be obligated to keep all Common Property in good, clean, attractive, and sanitary condition, order, and repair, in accordance with the terms and conditions of this Declaration.

B. Personal Property and Real Property for Common Use. Each Association may acquire, hold, mortgage and dispose of tangible and intangible personal property and real property in addition to that property conveyed to it by Declarant.

C. Rules and Regulations. Each Association may make and enforce reasonable rules and regulations governing the use of the Property (or, in the case of Servient Associations, governing the use of the relevant Development Phase), which shall be consistent with this Declaration and the Association Documents. The Associations shall have the power to impose

sanctions on Owners, including without limitation: (i) reasonable monetary fines which shall be considered Lot Assessments, and (ii) suspension of the right to use the Common Property. In addition, the Board shall have the power to seek relief in any court for violations or to abate unreasonable disturbances. If the Board expends funds for attorneys' fees or litigation expenses in connection with enforcing this Declaration, the Association Documents or the Rules against any Owner, tenant, guest or invitee of any Owner, the amount shall be due and payable by such Owner and shall be a Lot Assessment against such Owner's Lot.

D. Implied Rights. The Associations may exercise any other right or privilege given to them expressly by the laws of the State and this Declaration, and every other right or privilege reasonably implied from the existence of any right or privilege granted in this Declaration, or reasonably necessary to effect any such right or privilege.

E. Managing Agent. Each Association may retain and employ a Manager, which may be the Golf Course Owner, the Declarant, the Developer of one or more of the Development Phases, or an independent third-party (except that all common areas are to be maintained by the Golf Course Owner by contract with the Master Association), and may delegate to the Manager such duties as the Association's Board might otherwise be authorized or obligated to perform. The compensation of the Manager shall be a Common Expense. The term of any management agreement shall not exceed three years and shall allow for termination by either party, without cause, and without penalty, upon not less than 30 nor more than 90 days' prior written notice.

F. Insurance.

1. The Master Association shall be required to obtain and maintain adequate blanket property insurance, liability insurance and flood insurance covering all of the Common Property in an amount as is commonly required by prudent institutional mortgage investors. The cost of said insurance shall be a Common Expense, allocated among the Development Phases as equitably as possible by the Master Association.

2. The Master Association may, in the Board's discretion, obtain and maintain the following insurance: (a) fidelity bond coverage and workers' compensation insurance for all officers, directors, board members and employees of the Association and all other persons handling or responsible for handling funds of the Association, (b) adequate comprehensive general liability insurance, (c) officers' and trustees' liability insurance to fund the obligations of the Association under Article XI Paragraph G, (d) additional insurance against such other hazards and casualties as is required by law, and (e) any other insurance the Association deems necessary.

3. In the event of damage or destruction of any portion of the Common Property, the Master Association shall promptly repair or replace the same. If insurance proceeds are insufficient to cover the cost of the repair or replacement, then the Master Association may levy a Special Assessment pursuant to Section IX to cover the additional costs.

G. Condemnation. The Master Association shall represent the Owners in any condemnation proceedings or in negotiations, settlements and agreements with the condemning authority for acquisition of the Common Property, or any portion thereof. Each Owner hereby appoints the Association as its attorney-in-fact for such purpose. The awards or proceeds of any condemnation action shall be payable to the Master Association, to be held in trust for the benefit of the Owners.

H. Books, Records. Upon reasonable request of any Member, each Association shall be required to make available for inspection all books, records and financial statements of the Association.

IX. ASSESSMENTS

A. Reserve Fund. The Master Association may establish a Reserve Fund for financing the operation of the Association, for paying necessary costs and expenses of operating the Association and repairing and maintaining the Common Property. The Servient Associations may also establish separate Reserve Funds for financing their operations.

B. Types of Assessments. Each Developer and Owner, by accepting a deed to a Lot, is deemed to covenant and agree, to pay to the Servient Association serving the Development Phase in which such Owner's Lot or unit is located, the following assessments: (i) Annual Assessments; (ii) Special Assessments; and (iii) Lot Assessments. No Owner may gain exemption from liability for any Assessment by waiving or foregoing the use or enjoyment of any of the Common Property or by abandoning his/her Lot. Annual and Special Assessments shall be fixed at a uniform rate for all Lots. For a period of one year from the date hereof, the maximum Lot Assessment, which includes undeveloped Lots, shall be fifty dollars (\$50.00) per Lot.

C. Annual Assessments. The Master Association Board shall annually estimate the Common Expenses and the expenses, if any, and specifically including maintenance costs described in Article X, Section A, which it expects to incur in the Association's next ensuing fiscal year, for the maintenance, operation and management of the Association and any and all property and improvements to be maintained, operated and managed thereby, (which may include amounts, if any, for the Reserve Fund -- as may be determined by the Board) and shall assess each Servient Association an Annual Assessment equal to such Servient Association's estimated share thereof, as determined by dividing the costs allocable to all Development Phases by the total number of undeveloped and developed Lots and units at the Property, and by dividing costs allocable to specific Development Phases by the number of undeveloped and developed Lots or units in such Development Phases. The Servient Associations shall thereupon assess each undeveloped and developed Lot or unit Owner for such Owner's distributive share of the Servient Association's share of the Master Association assessment, plus such additional assessment as the Servient Associations may issue for the operational costs thereof. The Annual

Assessments shall be paid in accordance with the procedures set forth in the Rules. Notwithstanding the foregoing to the contrary, if Declarant owns any Development Phase or any Lot(s), Declarant may elect to pay the Annual Assessments applicable to such Phase(s) or Lot(s), or in lieu thereof not pay such Annual Assessments and pay any deficit incurred in operating the Association. All costs to be assessed, except for those jobs under One Thousand Dollars (\$1,000.00) shall be based on estimates obtained through the use of a bidding process. The standard of maintenance that is to be performed shall be that which is customary for a similar development located in Central Ohio.

D. Special Assessments. The Master Association and Servient Association Boards may levy against any Lot(s) or unit(s) a Special Assessment to pay for necessary expenses not included in the annual operating budget and not projected to be paid out of the Reserve Fund.

E. Lot Assessments. Each Board may levy a Lot Assessment against any Lot(s) and the Owner(s) thereof to reimburse the Association for costs incurred on behalf of the specific Lot(s) or unit(s) assessed, including without limitation, costs associated with making repairs that are the responsibility of the Owner; costs of additional insurance premiums specifically allocable to an Owner; costs of any utility expenses chargeable to an Owner but not separately billed by the utility company; and all other fines and charges reasonably determined to be a Lot Assessment by such Board. Upon its determination to levy a Lot Assessment, the Board shall give the affected Owner(s) written notice and the right to be heard by the Board or a duly appointed committee thereof in connection with such Lot Assessment, 10 days prior to the effective date of the levy of any Lot Assessment. The assessing Board may levy a Lot Assessment in the nature of a fine reasonably determined by the Board against the Lot or unit of any Owner who violates the Rules, the Association Documents or any provision of this Declaration, or who suffers or permits his/her family members, guests, invitees or tenants to violate such Rules, the Association Documents, or provisions of this Declaration.

F. Remedies.

1. Late Charge; Acceleration. If any Assessment remains unpaid for 10 days after all or any part thereof shall become due and payable, the Board may charge interest at the lesser of the rate of 12% per annum or the highest rate permitted by law, together with an administrative collection charge of \$25.

2. Liability for Unpaid Assessments. Each Assessment or installment of an Assessment, together with interest thereon and any costs of collection, including reasonable attorneys' fees shall become the personal obligation of the Owner(s) beginning on the date the Assessment or installment thereof becomes due and payable. The Board may authorize the Association to institute an action at law on behalf of the Association against the Owner(s) personally obligated to pay any delinquent assessment. An Owner's personal obligation for a Lot's or unit's delinquent Assessments shall also be the personal obligation of his/her successors in title who acquire an interest after any Assessment becomes due and payable and both such

Owner and his/her successor in title shall be jointly and severally liable therefor. Except as otherwise provided herein, the transfer of an interest in a Lot or unit shall neither impair the Association's lien against that Lot or unit for any delinquent Assessment nor prohibit the Association from foreclosing that lien.

3. Liens. All unpaid Assessments, together with any interest and charges thereon or costs of collection, shall constitute a continuing charge in favor of the assessing Association and a lien on the Lot or unit against which the Assessment was levied. If any Assessment remains unpaid for 10 days after it is due, then the Board may authorize any officer or appointed agent of the Association to file a certificate of lien for all or any part of the unpaid balance of that Assessment, together with interest and costs, with the appropriate governmental office containing a description of the Lot or unit which the lien encumbers, the name(s) of the Owner(s) of that Lot or unit, the amount of the unpaid portion of the Assessment, and such other information as the laws of the State may require. The certificate may be signed by any officer, authorized agent or Manager of the Association. Upon the filing of the certificate, the subject Lot or unit shall be encumbered by a continuing lien in favor of the assessing Association. The Assessment lien shall remain valid for a period of five years from the date such certificate is duly filed, unless the lien is released earlier or satisfied in the same manner provided by the law of the State for the release and satisfaction of mortgages on real property, or unless the lien is discharged by the final judgment or order of any court having jurisdiction. Notwithstanding the foregoing, the lien for Assessments provided for in this Section shall be subordinate to the lien of any bona fide first mortgage on a Lot or unit.

4. Golf Course Property Separate from Common Areas. Nothing contained herein is intended to nor shall it act to obligate the Owners to pay any portion of any cost or expense incurred in maintaining, improving, insuring, owning or using any portion of the Golf Course Property; nor shall anything contained herein act to obligate the Golf Course Owner to pay any portion of the cost or expense of maintaining, improving, insuring, owning or using the Common Areas, unless specific provision is made elsewhere herein for paying such cost or expense.

X. MAINTENANCE

A. Maintenance by Association. The Master Association shall maintain and keep in good repair the Common Property. This maintenance shall include, without limitation, maintenance, repair, and replacement of all landscaping and other flora, structures, and improvements situated upon the Common Property and all personal property used in connection with the operation of the Common Property. Anything contained herein to the contrary notwithstanding, the cost of maintaining entry features and related improvements, and common areas, located entirely within, or for the sole benefit of, a specific Development Phase, shall be the sole responsibility of the Development Phase Developer and/or the Servient Association formed in connection with such Development Phase, from and after the date of the conveyance of any portion of such Development Phase from the Declarant to a Development Phase Developer or individual Lot or unit Owner (whichever occurs first).

B. Maintenance by Owner. Each Owner or occupant shall repair, replace, and maintain in good order and condition, at his/her expense, portions of, improvements to, structures on, and, equipment and components used in connection with, his/her Lot. This maintenance responsibility includes, without limitation, promptly furnishing all necessary materials and performing or causing to be performed at his/her own expense all maintenance, repairs and replacements within such Lot that, if omitted, would adversely affect the safety and usefulness of the Common Property. Each Owner shall maintain those portions of his/her Lot that are adjacent to any portion of the Common Property in accordance with the Rules and the requirements set forth in this Declaration.

C. Right of Association to Maintain Lot. If any Owner fails to maintain his/her Lot in the manner required herein, and if the Master Association Board or Servient Association Board determines that any maintenance of that Lot is necessary to ensure public safety, to permit reasonable use or enjoyment of the Common Property by Owners, to prevent damage to or destruction of any other part of the Common Property or to comply with the Rules or the terms of this Declaration, then the Master or Servient Board may authorize its employees or agents to enter the Lot at any reasonable time to complete the necessary maintenance and said Board may levy a Lot Assessment for all reasonable expenses incurred.

D. Damage to Common Property By Owner or Occupant. If the Common Property is damaged by any Owner or occupant, his/her family, guests, or invitees, then the Master Association Board or Servient Association Board may levy a Lot Assessment against such Owner for the cost of repairing or replacing the damaged property. Each Association shall be entitled to enter a Lot to repair or maintain any Common Property adjacent to such Lot.

MISCELLANEOUS TERMS

XI. MISCELLANEOUS

A. Term. This Declaration shall bind and run with the land for a term of 30 years from and after the date that this Declaration is filed for recording with the appropriate governmental office, and thereafter shall automatically renew for successive periods of 10 years each unless and until an election is made by the Master Association, with the Declarant's consent, to terminate this Declaration.

B. Enforcement; Waiver. This Declaration may be enforced by any proceeding at law or in equity by the Declarant, any Owner, the Master Association, the Servient Associations, and their respective heirs, successors and assigns, against any person(s) violating, or attempting to violate, any covenant or restriction, to restrain and/or to enjoin violation, to obtain a decree for specific performance as to removal of any nonconforming Improvement, and to recover all damages, costs of enforcement and any other costs incurred (including without limitation reasonable attorneys' fees). Failure of Declarant, the Associations or any Owner to enforce any provision of this Declaration or the Rules in any manner shall not constitute a waiver of any right

to enforce any violation of such provision. By accepting a deed to a Lot, each Developer and Owner is deemed to waive the defenses of laches and statute of limitations in connection with the enforcement of this Declaration or the Rules.

C. Amendments. Declarant may unilaterally amend this Declaration, without the consent of any Developer or other Owners, if such amendment is: (a) necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, regulation or judicial order, (b) necessary to enable any reputable title insurance company to issue title insurance coverage on the Lots, (c) necessary to conform to the requirements of United States Federal Housing Administration, or (d) necessary to correct errors; provided, however, any such amendment shall not materially adversely affect the title to any Lot unless the Owner thereof has consented to such amendment in writing. Declarant shall have the right and power, but neither the duty nor the obligation, in its sole and absolute discretion and by its sole act, to subject additional property to this Declaration at any time and from time to time by executing and recording in the appropriate governmental office an amendment to this Declaration specifying that such additional property is part of the Property. An amendment to this Declaration shall not require the joinder or consent of any Developer, Servient Association, other Owners, mortgagees or any other person. In addition, such amendments to the Declaration may contain such supplementary, additional, different, new, varied, revised or amended provisions and memberships as may be necessary or appropriate, as determined by Declarant, to reflect and address the different character or intended development of any such additional property.

D. Declarant's Rights to Complete Development. Declarant shall have the right to: (a) complete the development, construction, promotion, marketing, sale, resale and leasing of any Development Phase not completed by a Developer; (b) construct or alter Improvements on any property owned by Declarant; (c) within each Development Phase, maintain model homes, offices for construction, sales or leasing purposes, storage areas, construction yards or similar facilities on any property owned by Declarant or the Association; or (d) post signs incidental to the development, construction, promotion, marketing, sale and leasing of property within the Property. Further, Declarant shall have the right of ingress and egress through the streets, paths and walkways located in the Property for any purpose whatsoever, including, but not limited to, purposes related to the construction, maintenance and operation of Improvements. Nothing contained in this Declaration shall limit the rights of Declarant or require Declarant to obtain approval to: (i) excavate, cut, fill or grade any property owned by Declarant or to construct, alter, remodel, demolish or replace any Improvements on any Common Property or any property owned by Declarant as a construction office, model home or real estate sales or leasing office in connection with the sale of any property; or (iii) require Declarant to seek or obtain the approval of the Association or the Design Review Board for any such activity or Improvement on any Common Property or any property owned by Declarant. Nothing in this Section shall limit or impair the reserved rights of Declarant as elsewhere provided in this Declaration. Each, some or all of the rights reserved by the Declarant herein may be assigned, in whole or in part and with or without limitations or restrictions, to the Developer(s) of each such Development Phase, to the extent and as the Declarant sees fit.

E. Declarant's Rights to Replat Declarant's Property. Declarant reserves the right, at any time and from time to time, to amend, alter or replat any plat or development plan and to amend any zoning ordinance which affects all or any portion of the Property; provided, however, that only real property owned by Declarant shall be the subject of any such amendment, alteration or replatting unless the owner(s) of such other real property as is to be affected by such replatting, alteration or amendment consents in writing to the same. Each Developer, Owner and Member and the Association, for themselves and their successors and assigns, hereby consents to and approves any such amendment, alteration or replatting and shall be deemed to have joined in the same.

F. Mortgagee Rights. A holder or insurer of a first mortgage upon any Lot, upon written request to the Master Association or any Servient Association (which request shall state the name and address of such holder or insurer and a description of the Lot) shall be entitled to timely written notice of:

- (a) any proposed amendment of this Declaration;
- (b) any proposed termination of the Master or Servient Association; and
- (c) any default under this Declaration which gives rise to a cause of action by either Association against the Owner of the Lot subject to the mortgage of such holder or insurer, where the default has not been cured in 60 days.

Each holder and insurer of a first mortgage on any Lot shall be entitled, upon request and at such mortgagee's expense, to inspect the books and records of the Servient Association during normal business hours.

G. Indemnification. Each Association shall indemnify every Board member, officer and trustee thereof against any and all claims, liabilities, expenses, including attorneys' fees, reasonably incurred by or imposed upon any officer or trustee in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the Board) to which he/she may be a party by reason of being or having been an officer or trustee. The Board members, officers and trustees of each Association shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misconduct, bad faith or gross negligence. The Board members, officers and trustees of the Associations shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Associations (except to the extent that such Board members, officers or trustees may also be Members of such Association), and the Associations shall each indemnify and forever hold its Board members, officers and trustees free from and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided herein shall not be exclusive of any other rights to which any Board member, officer or trustee, or former Board member, officer or trustee, may be entitled.

H. Servient Associations Distinct From One Another. The Servient Associations to be formed pursuant to this Declaration shall exist for the sole benefit of the Development Phase for which formed. No Servient Association shall have the right or obligation to impose fees, perform maintenance or exercise review and approval rights provided for herein with respect to improvements, Lots, Common Areas or other portions of any other Development Phase. The foregoing notwithstanding, the Servient Associations, Developers and Lot Owners within a specific Development Phase shall have the right to enforce the restrictions contained herein as the same relate to Lots in other Development Phases, and, if necessary and desirable, to take permitted legal actions in the event of a violation hereof.

I. Severability. If any article, section, paragraph, sentence, clause or word in this Declaration is held by a court of competent jurisdiction to be in conflict with any law of the State, then the requirements of such law shall prevail and the conflicting provision or language shall be deemed void in such circumstance; provided that the remaining provisions or language of this Declaration shall continue in full force and effect.

J. Captions. The caption of each Article, section and paragraph of this Declaration is inserted only as a matter of reference and does not define, limit or describe the scope or intent of the provisions of this Declaration.

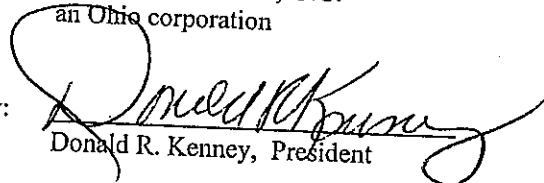

K. Notices. Notices to an Owner shall be given in writing, by personal delivery, at the Lot, if a residence has been constructed on such Lot, or by depositing such notice in the United States Mail, first class, postage prepaid, to the address of the Owner of the Lot as shown by the records of the Association, or as otherwise designated in writing by the Owner.

IN WITNESS WHEREOF, the Declarant has caused the execution this Declaration as of the date first above written.
