RE: AVAILABILITY OF ELECTRICAL SERVICE

**5481 Worthington Road (21 acres)**

To Whom It May Concern:

This letter will confirm that American Electric Power has electric service facilities adjacent to your new project. These facilities will be made available to serve your project with some Contribution-In-Aid-To-Construction charged to the project developer.

Our records indicate your project; a 30 lot single-family residential development is located on the east side of Worthington Rd and south of Big Walnut Rd, in Genoa Township, Delaware County, Ohio.

American Electric Power anticipates providing your new project the best possible service. I look forward to working with you and remain available to coordinate your project needs. Please contact me to discuss any questions you may have or other assistance you may require.

Sincerely,

**Erik Schaas**
