Chris,

Yes, 5481 does connect at/near manhole 10. The drawing isn't the best but the tap permit is at:
<https://secure.co.delaware.oh.us/iframes/sanitary/Permits/2002/02-1119.pdf>

Thanks Kelly.

Do you know if the sanitary service listed as a revision on sheet 3 of the Phase 1 plan was extended to the north P/L for the existing home at 5481 Worthington Road?
It says 130' which would make sense.
